Escape to luxury on the EP

An experienced property valuer recently said, “During my career, I have valued over 20,000 houses; of these, only 10 stand out - this is number 11”

The award-winning Pure Heaven is one of the most remarkable houses going around. Its breath-taking views, one-of-a-kind infinity pool and “Mediterranean” feel will leave you speechless!

Considerations

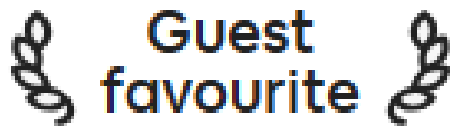

We are located on a hillside block which unfortunately does not have a large area for parking. We suggest organising a bus to drop off and pick up your guests if you plan to have your ceremony at Pure Heaven.

We do not provide any styling options (flowers, chairs, décor, etc.) but we are happy to suggest local suppliers and work with you to create the perfect ceremony.

Accreditations

In November 2023, Bradford Constructions were announced as the winners of the 2023 HIA South Australia Country Home Award for their brilliant work building the one and only, Pure Heaven.

“From inception to completion, this project evolved into a masterpiece. Overcoming extensive granite outcrops during excavation, this project exemplifies meticulous attention to detail, and includes an infinity pool, a stocked fish aquarium, home automation, and double glazed windows” – HIA South Australia
